## Blue Mountains Amateur Radio Club inc

Monthly Newsletter

December 2004.

G'Day,

Sorry for the late Ragchew Lite, been busy, and quite frankly I forgot!

### New members

Aleksandar, VK2HGF has joined our ranks, and a warm welcome

### Leura

Paul, with helpers is gradually removing the equipment from the Leura site. As most of you should be aware, the site did not live up to expectations. A disappointment, but we had to be realistic

### Mt Kosciusko

Still on, but looks increasingly like the 3<sup>rd</sup> weekend in March to coincide with John Moyle. This would put it at March 19<sup>th</sup> and 20<sup>th</sup>. We will keep you posted.

### Bunnings

The first of our fundraising activities will be on Sunday January 29<sup>th</sup> 2005, at the Bunnings Hardware store in South Penrith.

As this is the first time we have taken on such a venture, it will require a joint effort from **ALL** club members.

President Peter will be back in VK on Christmas eve. No doubt a planning meeting will be held very early in the new year.

### Christmas Party

This was a very successful event, while only a few participants attended, the reports were excellent.

Peter did email a report to all on radiocorner.org, and Carl, VK2HRC has written a report that will be in the first issue of Ragchew for 2005.

Carl also received an encouragement award for enthusiasm in 2004. Congratulations Carl.

### Ragchew

Just a reminder, I am still hunting articles for Ragchew, still a bit 'Lite' on information.

Only a short issue this month, so I would on behalf of the committee of BMARC, take this opportunity to wish you all a safe, and a Merry Xmas, and a safe and happy New Year.
